

Sample 1

INT. KComm

Clarissa, Jackie, and Miranda are sitting around a table.

Clarissa

Wow I love Kcomm, so much better than Morrill

Miranda

Yeah, no nails in the salad, sign me up!

Amy enters with a bowl of cereal.

Jackie

Hey Amy, what's up.

Amy

Nothing much, just about to eat some Frosted Flakes™

Amy sits down. Everyone begins eating. Amy lifts her bowl up and pours her cereal and milk out. It's small stream and she licks it like a dog drinking from a hose.

Clarissa

Uh.... what the fuck.

Amy stops drinking her cereal but does not move the bowl from her position

Amy

Huh? Are you looking at the Calc homework right now?

Clarissa

No I'm looking at you!

Amy

What? It's Kcomm, their always out of forks?

Amy starts eating her cereal again. Clarissa and friends look contemplative.

Clarissa

Sigh, I guess you're ri-- WAIT FORKS!?

Sample 2

INT CHURCH

A church hymn plays, it is peaceful, serene. Then Pastor Ferry enters.
today!

Pastor Ferry

Whaaaaaat's up West Delaware Diochese! How is your Sunday morning!

Church (in a very respectful voice)

Good morning Father.

Pastor Ferry

Woooooooah, heaven yeah! So glad to see we have such an enthusiastic crowd

There is a silence that is slightly uncomfy.

Pastor Ferry

Hey hey we're going to start today off with a lil sample from from my very own
book of hymns, hit it.

An organ starts playing, an ominous hymn begins to plays, Pastor Derry is fist pump to it.

Pastor Ferry

You can buy my album outside the church at the bread table, all proceeds help
me. So anyways, let's get on to that bible reading explanation, because I'm sure in
the two years since you've last heard this reading you completely forgot it.

Pastor Ferry

So anyways Jesus walk into this temple and sees a bunch of dudes selling doves
and cows. Which reminds of this one story four years ago. Me and my bros walk into Bulls and
there was this bit-woman if God who I had been hook- helping learn more abt Jesus' light. And
she was getting macked on by some dude in Alpha delta psi. So you see the Jewish worshipers
was Jesus Ashley and this merchants were the frat douches, stealing that praise that I- God
deserved.

Pastor Ferry

So what does Jesus do? He throws down!!! Just like me and my bros. He pulls
out a whip and waacha! He knocks over some tables and wacks some asses. Kind of like how I
threw a sock right cross at that dudes face no questions asked. And his buddies retaliated and
then my buddies related and soon, just like Jesus, we were flipping tables. And just like Jesus
our worshippers, aka Ashley we're not super happy with us. And just like they later crucified
Jesus, I was slapped in the face by Ashley. Ya know that's actually why I'm a priest today, after

that fight my parents wouldn't support my dj career, so I got high, applied to seminary school
and well here I am! Just like my man Jesus. Amen to that!

Church
Amen

Pastor Ferry

Alright y'all have a blessed Sunday Funday, peace! Bible Drop!
Pastor Ferry drops his bible the same way someone would drop a mic dramatically
